

BUSINESS INTERRUPTION EXTENSION

In consideration of the premium paid, and subject to the EXCLUSIONS, CONDITIONS AND LIMITATIONS of the Policy to which this Extension is attached, and also to the FOLLOWING ADDITIONAL CONDITIONS, EXCLUSIONS AND LIMITATIONS, this Policy is extended to cover loss resulting from necessary Interruption of Business caused by Direct Physical Loss or Damage, as covered by the Policy to which this Extension is attached, to the Property Insured.

In the event of such Direct Physical Loss or Damage, the Underwriters shall be liable for the actual loss sustained by the Insured resulting directly from such necessary Interruption of Business, but not exceeding the reduction in Gross Earnings, as defined hereafter, less charges and expenses which are not necessary during the Interruption of Business, for a period not to exceed the lesser of:

- (a) such length of time as would be required, with the exercise of due diligence and dispatch, to repair, rebuild or replace such part of the property as has been destroyed or damaged,

or

- (b) eighteen (18) calendar months,

commencing with the date of such Direct Physical Loss or Damage and not limited by the expiration of this Policy.

Due consideration shall be given to the continuation of normal charges and expenses, including payroll expenses, to the extent necessary to resume operations of the Insured with the same operational capability as existed immediately before the loss.

CONDITIONS

1. Direct Loss or Damage

No claim shall be payable under this Extension unless and until a claim has been paid, or liability admitted, in respect of Direct Physical Loss or Damage to Property Insured under the Policy to which this Extension is attached and which gave rise to Interruption of Business.

This Condition shall not apply if no such payment shall have been made, or liability admitted, solely owing to the operation of a Deductible in said Policy which excludes liability for losses below a specified amount.

2. Values Declared (and Incorrect Declaration Penalty)

The premium for this Extension has been based on a statement of individual values declared to and agreed by the Underwriters at the inception of the Policy and stated in the Schedule.

If any of the individual values declared are less than the equivalent amount of the Co-insurance percentage, as stated in the Schedule, of the Interruption of Business values, then any recovery otherwise due hereunder shall be reduced in the same proportion that the individual value(s) declared bear to the value(s) that should have been declared and the Insured shall co-insure for the balance.

3. Resumption of Operations

If the Insured could reduce the loss resulting from the Interruption of Business,

- (a) by complete or partial resumption of operation of the property,

and/or

- (b) by making use of Merchandise, Stock (Raw, In Process or Finished), or any other property at the Insured's locations or elsewhere,

and/or

- (c) by using or increasing operations elsewhere,

then such possible reduction shall be taken into account in arriving at the amount of loss hereunder.

4. Expenses to reduce Loss

This Extension also covers such expenses as are necessarily incurred for the purpose of reducing loss under this Extension (except expenses incurred to extinguish a fire), and, in respect of manufacturing risks, such expense, in excess of Normal, as would necessarily be incurred in replacing any Finished Stock used by the Insured to reduce loss under this Extension; but in no event to exceed the amount by which loss under this Extension is thereby reduced. Such expenses shall not be subject to the application of any contribution clause.

EXCLUSIONS

This Extension does not insure against:

1. increase in loss resulting from interference at the insured premises, by strikers or other persons, with rebuilding, repairing or replacing the property or with the resumption or continuation of operation;
2. increase in loss caused by the suspension, lapse, or cancellation of any lease, licence, contract, or order, unless such results directly from the insured Interruption of Business, and then Underwriters shall be liable for only such loss as affects the Insured's earnings during, and limited to, the period of indemnity covered under this Policy;
3. increase in loss caused by the enforcement of any ordinance or law regulating the use, reconstruction, repair or demolition of any property insured hereunder;
4. loss of market or any other consequential loss.

LIMITATIONS

1. The Underwriters shall not be liable for more than the smaller of either:
 - (a) any specific Business Interruption Sum Insured stated in the Schedule,

or
 - (b) the Sum Insured stated in the Schedule, where such includes Business Interruption, if such is a combined limit,

in respect of such loss, regardless of the number of locations suffering an interruption of business as a result of any one occurrence.

2. With respect to loss resulting from damage to or destruction of media for, or programming records pertaining to, electronic data processing or electronically controlled equipment, by the perils insured against, the length of time for which the Underwriters shall be liable hereunder shall not exceed:
 - (a) thirty (30) consecutive calendar days or the time required with exercise of due diligence and dispatch to reproduce the data thereon from duplicates or from originals of the previous generation, whichever is less; or,
 - (b) the length of time that would be required to rebuild, repair or replace such other property herein described as has been damaged or destroyed, but not exceeding eighteen (18) calendar months,

whichever is the greater length of time.

DEFINITIONS

1. Gross Earnings are for the assessment of premium and for adjustment in the event of loss defined as,

The sum of:
 - (a) total net sales value of production or sales of Merchandise,

and
 - (b) other earnings derived from the operations of the business,

 - (g) service(s) purchased from outsiders (not employees of the Insured) for resale which do not continue under contract,

- (h) the difference between the cost of production and the nett selling price of Finished Stock which has been sold but not delivered.

No other costs shall be deducted in determining Gross Earnings.

In determining Gross Earnings due consideration shall be given to the experience of the business before the date of loss or damage and the probable experience thereafter had loss not occurred.

2. Raw Stock

Material in the state in which the Insured receives it for conversion into Finished Stock.

3. Stock in Process

Raw Stock which has undergone any ageing, seasoning, mechanical or other process of manufacture at the Insured's premises but which has not become Finished Stock.

4. Finished Stock

5. Merchandise

6. Normal
